## Passport Management / Add Additional Passport

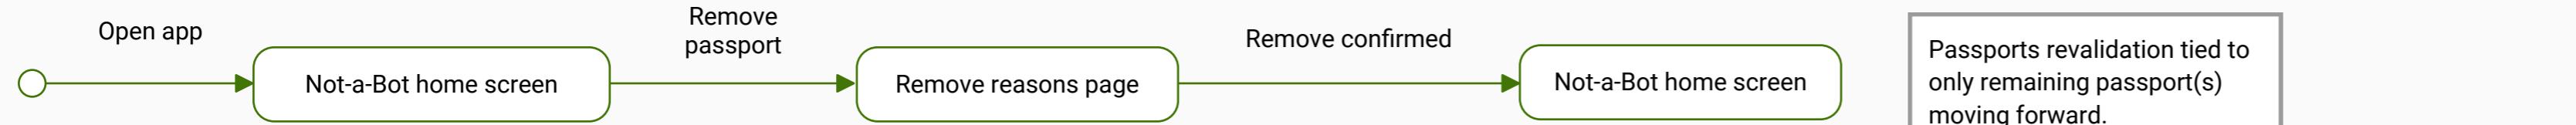

Not-a-Bot

Passports are tied together,  
with revalidation requiring any  
of the passports.

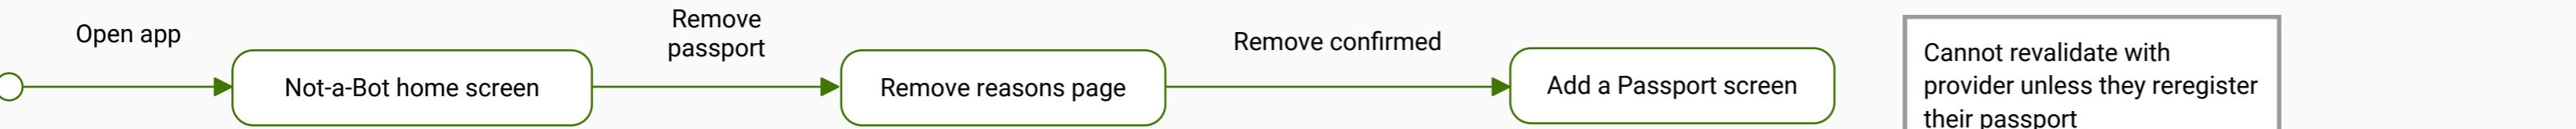

All variations and error states  
for a single passport apply to  
multiple passports.

## Passport Management / Remove Passport (Multiple)

Passports revalidation tied to  
only remaining passport(s)  
moving forward.

## Passport Management / Remove Passport (Final)

Cannot revalidate with provider unless they reregister their passport

## Passport Management / Transfer Phone (Old Phone Available)
